

Thank you for purchasing a Jennyruth Workshops **Bug or Butterfly Home**

- It should be fixed using the metal fixing/batten.
- Screw to a wall or fence or strap to a tree to avoid damaging the tree.

Butterfly Home

- Position your butterfly home near to butterfly-friendly plants such as buddleia.

Bug Home

- Position your bug home in a warm and dry spot.
- To attract bees, position near bee-friendly nectar-producing plants, flowers and trees.

- It is not necessary to clean your butterfly/bug home.
