

Person specification – Woodwork Supervisor

The post requires someone who enjoys being busy and working to deadlines in order to meet demand. This person should like working as part of a team and on their own initiative when needed. The person will need to be a good communicator, have a warm personable manner, remain positive, professional and show sensitivity and empathy when dealing with other staff, workers who have learning disabilities, and volunteers.

Qualifications & Training

- Trained in working with a variety of woodwork machinery.
- Basic IT skills
- Experience of working with adults who have learning disabilities desirable but not essential

Experience and key skills

- Experience of working with woodwork machinery and a very good understanding and appreciation of how important Health and Safety in the workplace is.
- Ability to work accurately with attention to detail.
- Enthusiastic with a 'can do' attitude and real desire to add value.
- Proactive and self-motivated with good time management skills.
- Show an understanding of the sensitivities of working with adults who have learning disabilities.

The post is subject to a criminal record check via the Disclosure and Barring Service.
